## CrimeStoppers Community Business Partnership

Dear Business Leader:

As a business leader, you are aware of the importance of creating an environment that is safe for our families and encourages business growth and prosperity. Every year, people and companies in our community experience serious and sometimes violent crimes.

You can help by joining us as a CrimeStoppers Community Business Partner. Business partners make our community safer by helping to spread the word that anyone can report a crime and remain anonymous. Together we can fight against crime and the fear of crime that threatens to erode the quality of our lives.

The following are our CrimeStoppers Community Business Partner levels:

- **Business Sponsor** - \$365 annual donation (\$1 per day), window decals, a one-year link on the CrimeStoppers website.
- **Business Patron** - \$730 annual donation (\$2 per day), window decals, one-year link on the CrimeStoppers website, and a ¼ page ad in the annual CrimeStoppers fundraiser program.
- **Business Leader** - \$1,095 annual donation (\$3 per day), window decals, one-year link on the CrimeStoppers website, ½ page ad in the annual CrimeStoppers fundraiser program.
